## Benefits of Integrating Workday Recruiting with KENTECH

Workday Recruiting helps your organization recruit the right talent faster and have visibility across the entire talent-acquisition process. KENTECH's certified integration to Workday Recruiting can help your organization further enhance the capabilities of your Workday application.

- **Accelerate Your Results - Companies that move fast win the talent race.** Hiring time may be reduced since recruiters can act on status information directly in Workday through real-time information on each candidates' background check package.
- **Improve Your Candidate Experience - A modern, digital candidate experience reflects well on your employer brand.** 65 pre-mapped data fields can help eliminate duplicate data entry, reduce errors, and makes the process easier for candidates. In addition, with KENTECH's I-9 product employees can electronically complete, sign and submit their Form I-9 on their mobile device, tablet, or laptop for their convenience.
- **Streamline Your Workflow - Initiate screenings easily, and transparently manage cases and workflow.** KENTECH's integration with Workday Recruiting brings all screening activities together. The optional I-9 integration component provides the ability initiate Form I-9's, receive real-time status updates on I-9/E-Verify cases, and access the Form I-9 in KENTECH directly from Workday Recruiting.
